Dimensions

Technical Specification

Water inlet

male thread G 1/2"

Supply Specification

| | |
|-----------------------------|---|
| SLPN 02Z - Supply No. 91026 | stainless steel urinal trough 600 mm, collar for connection to hydro-isolation, mounting set, siphon |
| SLPN 03Z - Supply No. 91036 | stainless steel urinal trough 1200 mm, collar for connection to hydro-isolation, mounting set, siphon |
| SLPN 04Z - Supply No. 91046 | stainless steel urinal trough 1800 mm, collar for connection to hydro-isolation, mounting set, siphon |
| SLPN 05Z - Supply No. 91056 | stainless steel urinal trough 2400 mm, collar for connection to hydro-isolation, mounting set, siphon |

Recommended Accessories

| | |
|-----------------------------|--|
| SLP 01Z - Supply No. 01011 | time-controlled flushing unit for urinal troughs |
| SLP 05N - Supply No. 42052 | automatic flushing unit for a group of urinals, 24 V DC |
| SLP 05NZ - Supply No. 42053 | automatic flushing unit for a group of urinals and integrated power supply, 230 V AC |
